BY SAADIA ASAD

NOOR chikankari is a stunning and multifaceted collection that amalgamates fine art points of interest. A variety of stitches wonderfully marry each other on sumptuous pure lawn bases to create super breathable yet festive ensembles for Eid keeping the weather in mind.

Being true to the subtle personality of this iconic embroidery form and with an underlying essence of creation, culture and craftsmanship noor chikankari transforms blank canvases into beautiful heirloom pieces that are meant to be cherished for years.

Elegant and exquisite monotonal shirts are paired with our signature richly illustrated chiffon dupatas to create majestic designs for the super special occasion of Eid.

With all our love and warm wishes let's celebrate this Eid together spreading smiles and happiness to all our loved ones .

Eid Mubarik from our Noor family to yours .
